

Bill Negotiation

**YOUR TIME IS VALUABLE, AND SO IS YOUR MONEY.
LET US SAVE YOU BOTH.**

WHAT IS THE SIMPLE, HASSLE-FREE PROCESS?

Our bill negotiators work with your providers to get you the best rates on your monthly bills for essential services like Internet, phone, satellite, cable, security, pest control and more.

Upload your bills.

Share your bills with us and we'll get to work negotiating!

No upfront cost.

Any savings we find, we'll split with you right down the middle.

Risk-free.

If we don't find savings, you pay nothing—plus you'll have the reassurance of knowing you already have the best price!

Same services, lower cost.

Your providers and their services will stay the same.

Did you know that Americans are overpaying \$60 billion every year for basic services we all use? But your business doesn't have to.

Can I do this myself? You could. But we know you have a business to run, which means you have better things to do with your time than sit on the phone with your providers! We work with so many companies and vendors that we know what a good rate is, and how to get it.

Working with Viv is the smartest financial decision you can make for your business. Zero-risk. No obligation. Pay only if you save. Satisfaction guaranteed.

*Savings vary depending on region and market dynamics. Your actual savings may be higher or lower than any examples or estimates shown, but your satisfaction is guaranteed.
