

Bill Auditing

**FIND AND RESOLVE OVERCHARGES AND INACCURACIES.
IMPLEMENT AND RECOVER REFUNDS AND REDUCTIONS.**

WHAT IS THE SIMPLE, HASSLE-FREE PROCESS?

Our deeply experienced team will perform a comprehensive audit on your utility expenses.

Our Audit Team has more than 60 years of experience, and has performed over 10,000 audits across 48 states, Canada and Mexico, in virtually every industry.

Bills and Agreement

Provide us with an agreement and copies of your bills.

Audit

We'll go to work auditing and reviewing every line item in your bills.

Proposal with Findings

Within 6-8 weeks, you'll receive a detailed summary and implementation proposal.

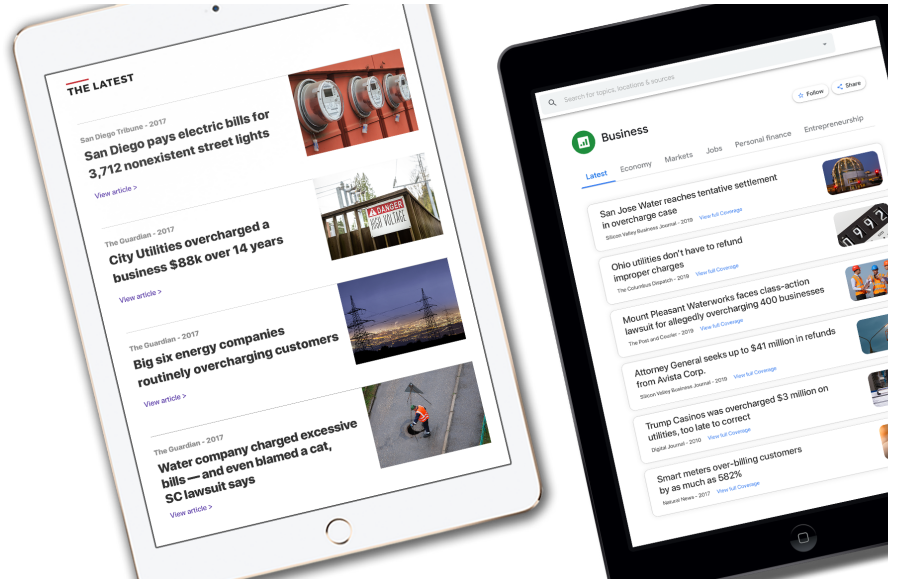

Implementation

With your permission, we'll implement refunds and ongoing reductions.

Payment

We collect our fees *only when you've saved!*

80% of companies are overcharged on utility expenses. Don't let your company be one of them.

Viv does not charge you anything up front. Our comprehensive, detailed audit is truly a no-risk, no-obligation, 100% contingency based service. We split any refunds we successfully obtain for you - 50/50. We also split any ongoing reductions we implement and maintain for you for 24 months - 50/50. After 24 months, you keep the benefit of the cost reductions forever!

We only make money when we are successfully saving you some of yours - it's a win-win!

*Savings vary depending on region and market dynamics. Your actual savings may be higher or lower than any examples or estimates shown, but your satisfaction is guaranteed.
